**WARD TOD METROPOLITAN DISTRICT NO. 1
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for Jefferson County on April 9, 2012, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within the City of Wheat Ridge, Jefferson County, Colorado.

The District was established to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment of the public improvements and services, including streets, water, sanitation and storm drainage traffic and safety controls, transportation, television relay and translation and mosquito control. Under its Service Plan, The District was organized in conjunction with two other related Districts: Ward TOD Metropolitan District Nos. 2 and 3. Ward TOD Metropolitan District No.1 serves as a Management District, and Ward TOD Metropolitan District Nos. 2 and 3 serve as Financing Districts.

Pursuant to the Service Plan, the district is permitted to issue bond indebtedness of up to \$25,000,000. On December 5, 2019, the District issued \$5,145,000 in (Limited Tax Convertible to Unlimited tax) General Obligation Bonds Series 2019A, \$600,000 in Subordinate Limited Tax General Obligation Bonds Series 2019B, and \$708,000 Junior Lien Limited Tax General Obligation Bonds Series 2019C.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in October. The County Treasurer remits the taxes collected monthly to the District.

**WARD TOD METROPOLITAN DISTRICT NO. 1
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (Continued)

Property Taxes (continued)

The Maximum Debt Mill Levy the District is permitted to impose is 60.000 mills (subject to adjustment for changes in the method of calculating the assessed valuation with the District) for any Debt which exceeds fifty percent of the District's assessed valuation. For the portion of any Debt which is equal to or less than fifty percent of the District's assessed valuation, either on the date of issuance or at any time thereafter, the mill levy to be imposed to repay such portion of Debt shall not be subject to the Maximum Debt Mill Levy. As a result of the residential rate change from 7.20% to 7.15% for collection year 2020, the 60.000 mills will be required to adjust to 60.419 mills for debt service.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

Developer Advances

The District is in the development stage. As such, the operating and administrative expenditures will be mainly funded by the Developer. A major portion of the capital expenditures are also expected to be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Urban Renewal TIF

Pursuant to the Intergovernmental Tax Sharing Agreement dated October 1, 2019 with the Wheat Ridge Urban Renewal Authority, the District will receive the tax increment ("TIF") generated from the Wheat Ridge Urban Renewal Project area to be used toward the repayment of the District's bonds.

Investment Income

Interest earned on the District's available funds has been estimated based upon an average interest rate of approximately 1.25%.

**WARD TOD METROPOLITAN DISTRICT NO. 1
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Administrative and Operating Expenditures

Operating and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, accounting, insurance, banking, meeting expense and other administrative expenses.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Repayment of Developer Advances

In 2020, the District anticipates the repayment of developer advances for expenditures incurred on behalf of the District.

Capital Outlay

The District anticipates infrastructure improvements as noted in the Capital Projects fund.

Debt Service

Principal and interest payments are provided based on the anticipated debt amortization schedule from the Senior Bonds, Subordinate Bonds, and Junior Lien Bonds (discussed under Debt and Leases). Anticipated debt service schedules are not provided for the Subordinate Bonds and Junior Lien Bonds because their repayment schedule is based on available cash flow.

Debt and Leases

On December 5, 2019, the District issued \$5,145,000 in (Limited Tax Convertible to Unlimited tax) General Obligation Bonds Series 2019A, \$600,000 in Subordinate Limited Tax General Obligation Bonds Series 2019B, and \$708,000 Junior Lien Limited Tax General Obligation Bonds Series 2019C. The proceeds of the Senior Bonds will be used to fund: (i) the Initial Deposit to the Surplus Fund; (ii) capitalized interest on the Senior Bonds; (iii) pay the Project costs; and, (iv) the costs of issuing the Senior Bonds, the Subordinate Bonds and the Junior Lien Bonds. Proceeds of the Subordinate Bonds will be used to pay Project costs. The Junior Lien Bonds will be issued for the purpose of paying Project Costs, comprised of paying a portion of amounts due and payable to the Developer under the Acquisition and Reimbursement Agreement.

The Senior Bonds bear interest at 5.000% and are payable semi-annually on June 1 and December 1, commencing December 1, 2019. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2026. The Senior Bonds mature on December 1, 2049.

**WARD TOD METROPOLITAN DISTRICT NO. 1
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases (Continued)

The Subordinate Bonds are issued at the rate of 7.750% per annum and are payable annually on December 15, beginning December 15, 2019, from, and to the extent of, Subordinate Pledged Revenue available, if any, and mature on December 15, 2049. The Subordinate Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the final maturity date. Unpaid interest on the Subordinate Bonds compounds annually on each December 15 through December 15, 2049. In the event that any principal or interest on the Subordinate Bonds remains unpaid after the application of all Subordinate Pledged Revenue available on December 15, 2059, the Subordinate Bonds shall be deemed discharged.

The Junior Lien Bonds are issued at the rate of 9.000% per annum and are payable annually on December 15, beginning December 15, 2019, from, and to the extent of, Junior Lien Pledged Revenue available, if any, and mature on December 15, 2052. The Junior Lien Bonds are structured as cash flow bonds meaning that no regularly scheduled principal payments are due prior to the maturity date, and interest payments not paid when due will accrue and compound until sufficient Junior Lien Pledged Revenue is available for payment. Principal and interest payments are due on the Junior Lien Bonds on each December 15 through December 15, 2052, only to the extent of available Junior Lien Pledged Revenue. In the event that any principal or interest on the Junior Lien Bonds remains unpaid after the application of all Junior Lien Pledged Revenue available on December 15, 2059, the Junior Lien Bonds shall be deemed discharged.

Debt service schedules are not provided for the Subordinate Bonds and Junior Lien Bonds because their repayment schedule is based on available cash flow.

2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Reserves

Emergency Reserve

The District has provided for an emergency reserve fund equal to at least 3% of fiscal year spending as defined under TABOR.

Debt Service Reserves

The District maintains a Debt Service Reserve, based on the amount held in our Debt Service Surplus fund, as required with the issuance of the Senior Bonds.

This information is an integral part of the accompanying budget.
